Achievements @ Sports Annual Function 2016:

Our School of Business leaders have proven that they are also best in sports. The recent achievements in Intra university sports events by our students was exemplary. We emerged winners in Football, Volley Ball, Table Tennis, and Athletics and Runner Ups for Carom, Basketball, Kabaddi, and Handball Sports. School of Business was only the second best to Physical education department in terms of medals tally at the recently held Sports Annual Function of the University. We won four gold and four silver medals being the star performers. The most heartening fact is that our talented School of Business Girl, **Shikha Kumari**, was adjudged the '**Girl Athlete of the Year**' in the Sports Annual Function of the University. We wish our students all the best for their future endeavors.
