

## **Workshop on "Current challenges in Banking Industry".**

To enhance the knowledge and skills of our students, ITM University Gwalior frequently organizes workshops, seminars and events where some professional guests visit us and share the rich experiences, research works and knowledge with the students.

A workshop was conducted for BBA Hons. and B.Com Hons. courses on 30, November, 2019 by the School of Management, ITM University Gwalior. The resource person for the workshop was **Mr. Ajay Mutatkar**, retired Assistant General Manager of Canara Bank and having 40 years of banking experience across credit, forex, recovery, risk management and vigilance. He has also an experience of working across rural, semi- urban, urban and metropolitan areas. During the workshop he updated students about the "current challenges in banking industry". The resource person mainly focused on the challenges which banks are facing nowadays like NPA, High cost of production, fraud, digital banking, low capital, compliance etc. The session was highly interactive one and very informative for the students. The workshop ended with vote of thanks and good feedback by the students.

The workshop started in the morning at 10 A.M. About thirty students of BBA Hons. III Sem. and B. Com Hons. III Sem. attended this workshop. A vote of thanks was delivered by the students and at the end the resource person and the participants assembled for a group photograph.
