Secretary		

The membership of the members shall be for a period of two years.

Goals

1. To develop a quality system for conscious, consistent and catalytic programmed action to improve the academic and administrative performance of the HEIs;
2. To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

The IQAC shall have the following functions

- Development and application of quality benchmarks/parameters for various academic and administrative activities of the HEI;
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;
- Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes;
- Dissemination of information on various quality parameters of higher education;

- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles;
- Documentation of the various programmes/activities of the HEI, leading to quality improvement;
- Acting as a nodal agency of the HEI for coordinating quality-related activities, including adoption and dissemination of best practices;
- Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality;
- Development of Quality Culture in HEI;
- Preparation of the Annual Quality Assurance Report (AQAR) of the HEI based on the quality parameters/ assessments criteria developed by the quality assurance body (like NAAC, NBA, AB) in the prescribed format.
- Bi-annual development of quality radars (QRs) and Ranking of Integral Units of HEIs based on the AQAR;
- Interaction with SQACs in the pre and post accreditation quality assessment, sustenance and enhancement endeavors.
