

M.Sc.(Biotechnology, Microbiology & Food Technology)
End Term Examination : April, 2021
I Sem. (Regular)

Online
TIME TABLE
02:30 p.m. to 04:30 p.m.

Date	Biotechnology	Microbiology	Food Technology
20.04.2021	Biophysics and Biochemistry (BT-101)	Biophysics and Biochemistry (MB-101)	Principles of Food Processing (FT-101)
23.04.2021	General Microbiology and Microbial Genetics (BT-102)	General Microbiology and Microbial Genetics (MB-102)	Fundamentals of Food Chemistry (FT-102)
27.04.2021	Cell Biology (BT-103)	Cell-Biology (MB-103)	Food and Nutrition (FT-103)
29.04.2021	Bioinstrumentation (BT-104)	Bioinstrumentation (MB-104)	Product Development, Food Laws and Quality Control (FT-104)
30.04.2021	Bioremediation Technology (BT-105)	Bioremediation Technology (MB-105)	Sensory Evaluation and Byproduct Utilization (FT-105)

Note : 1. Candidate should note the time, dates & sequence of question papers very carefully.
2. For Practical Exam contact to the concerned department.
