## **Workshop for MBA**

**(Resource Person- Mr. Vimal Kumar Mathur, Retired General Manager  
Indian Oil Corporation)**

As part of School of Management, ITM University's endeavour to interface industry experienced professionals with the MBA students, Shri Vimal Kumar Mathur, Retd. General Manager, Indian oil, Mumbai from 22<sup>nd</sup> to 23<sup>rd</sup> January shared in a series of lectures, certain facets of his valuable experience gathered in over thirty five years in the Oil and Gas industry. Shri Mathur has held leadership positions in Oil and Gas marketing. He shared the challenges in logistics in reaching LPG product to the kitchen of every household. He also related each theoretical principle of logistics management in relation to the industry by making participants play logistics game.

An outstanding presentation on best maintenance practices in a LPG bottling plant enthralled the participants. In conclusion, students were thrilled to understand effective communication techniques, leadership qualities, inter personal relationship and public speaking skills through interesting management games, in his last session.

Overall, all his sessions received positive response from the participants who gave feedback that lectures were eye openers for them to realize their gaps for the skill required to enter the corporate world. They desired more sessions from Mr. Mathur in future.
