ITM UNIVERSITY GWALIOR

ITM University Gwalior is a multidisciplinary private university established in Gwalior under the Act of the State Legislature, Madhya Pradesh, notified in the Official Gazette (extraordinary) of the State Government. The University campus is a delight to see with hundreds of original works of artistic monuments, paintings and sculptures in marble, granite and steel displayed over 165 acres.

The University offers virtually unlimited opportunities for inquiry, discovery, and education with uniquely- crafted educational programmes under 15 schools with more than 9000 students enrolled in different streams. The university aims to provide its students with a rich and varied academic environment, through choice-based credit system, modular approach, multipoint entry and exit, industry-based credits, students exchange programmes, etc., that ensures opportunities for intellectual development and acquisition of professional knowledge and skills.

The University is a multidisciplinary University with an aim to foster the highest quality teaching and research across the academic spectrum. The University has been crowned with more than 30 awards and ranked 24 times among the best Universities of the country by government and other agencies. The University was ranked 32nd in Management and 58th in Engineering programs respectively by the National Institutional Ranking Framework (NIRF), Ministry of Human Resource Development (MHRD) Government of India in 2016. The University is also accredited by NAAC.
